

ZDMG as a hybrid journal as of volume 166 (2016)

As of volume 166 (2016), the ZDMG is published in both printed and electronic formats. Since 2022, both versions are available through Harrassowitz Verlag.

Members of the DMG can choose either the printed version or the e-journal (<https://zdmg.harrassowitz-library.com/>). The decision is made on a year-by-year basis and until revoked. Please register on the following page of the publisher:
<https://zdmg.harrassowitz-library.com/register/>.

Ordering and cancelling the e-journal must be communicated to the DMG (by e-mail to peter.stein@uni-jena.de) by December 1 of the preceding calendar year. After registration with the publisher (see above), access to the electronic version of the ZDMG will be activated for the coming year.

If you would like to receive the printed version in addition to the e-journal, or if you are an institutional subscriber and prefer to have access to the electronic journal via IP ranges, you can purchase it in bookstores or directly from Harrassowitz.

Those who do not explicitly register to receive the e-journal will continue to receive the print version.

Non-members of the DMG can still obtain the print version by subscription or as a single issue from bookstores, journal agencies, or directly from Harrassowitz Verlag and/or register for the electronic version with the publisher.
